

Diploma in Criminal Justice & Forensic Science (DCJ&FS):

Despite the advances in science and Technology and Establishment of well-equipped Forensic Science institutions at state and central government level and well-structured Justice System from Supreme Court to High courts and local courts, the common man in India is still lamenting that the nature and quality of Justice available to them is far from satisfactory.

At the national and state level, many changes are being brought about at various levels to ensure justice to all in judicial, police, prosecution and Forensic Science administration, but with a limited success.

This will be a one year Diploma course consisting of six courses; three courses each in two semesters. The first semester is dedicated to criminal justice component and the second semester to Forensic sciences.

Each course consists of 15 units of academic inputs.

Each course carries hundred marks for end of course evaluation, totalling to 600 marks.
