

## **DIPLOMA IN GOVERNANCE (DG):**

Governance has come to define one of the frontier areas of reach in the social sciences. There is growing interest in the political and policy domain concerning the meaning and content governance in a globalizing world. Governance issues have serious policy implementations in terms of reform of public institutions towards greater transparency, efficiency and accountability. Civil society groups call for a more inclusive and participatory governance thus restoring to governance issues a political dimension. Thus the significance of governance as an emerging area of research and practice cannot be overemphasized.

### **OBJECTIVES/TARGET GROUPS:**

This Post-Graduate diploma aims to give Post-graduate students a cutting edge by training them to think and write about governance using their own disciplinary training, be it in sociology or economics or history or political science. It is also oriented to college teachers who may wish to enhance their skills and reorient their teaching interests. It is also aimed at professionals (advocates, entrepreneurs) and administrators who may be interested in issues such as best practice and accountability as well as E-governance.
